If you see a picture you'd like to have following the instructions below.

Each picture is numbered like: 2018-08-24 7D 4849. All I need is the last 4 digits of each picture you'd like to have.

Once you've selected your pictures e-mail me your selections to:

Pjscott51@gmail.com

I will not send you prints of the pictures. I'll e-mail you the image, so you can take the image to any retailers like Walgreens, Walmart or others that process pictures or submit the image online to have prints made.

I'll e-mail you 2 images of each picture. One to have prints made (the print image will have print at the end of the file name) and the second to post on social media.

Each image is cropped to 8x10 or 4x6.

After receiving your images be sure and send your donation to the Flaget Alumni Association. The amount is totally up to you. Make payment to:

Flaget Alumni Association

P O Box 36558

Or, bring your donation to our monthly luncheon and save the cost of a stamp.

If you have any questions, please e-mail me.
